*LA Treasury Unclaimed Property Receives \$8.7 Million in Unclaimed Tax Refunds*

Baton Rouge, LA – Louisiana Treasury’s Unclaimed Property Program has added \$8.7 million in uncashed state income tax refunds from the Louisiana Department of Revenue (LDR). These funds are available to be claimed now.

The Louisiana Unclaimed Property Program receives funds from LDR from uncashed state tax refunds each year. This year, the allocation consists of unclaimed refunds from 29,441 Louisiana taxpayers. These funds are now easily accessible to individuals who might have inadvertently lost track of their tax refunds.

“This \$8.7 million belongs to the people of Louisiana, and we are eager to assist them in rightfully claiming their money,” said Louisiana State Treasurer John Fleming, M.D.

The Louisiana State Treasurer’s Unclaimed Property Program remains committed to safeguarding and returning unclaimed property to its rightful owners, reinforcing the program’s vital role in the community.

Treasurer Fleming said, “We have made searching your name and claiming your money easy. Citizens can check online at [LaCashClaim.org](https://LaCashClaim.org), use their smartphone to access the LaWallet app, or call #888-925-4127.”

Treasurer Fleming encourages all citizens of Louisiana to check if their state tax refund is among the unclaimed property.
