## **Louisiana Voters Create Unclaimed Property Trust Fund**

BATON ROUGE, LA – State Treasurer John M. Schroder today announced Louisiana citizens voted in favor of amending the constitution to create a trust fund that will protect Unclaimed Property money. The amendment passed with 65% voting in favor of it.

**“I fought for years to make this day a reality. This amendment will stop government from spending your Unclaimed Property money,”** said Treasurer Schroder. **“That means your Unclaimed Property will always be there, whether you claim it or your great-great grandchildren claim it. Unclaimed Property is your money. Claim it!”**

The Unclaimed Property Permanent Trust Fund will be created beginning July 1, 2021. Interest earnings from the trust fund will create a state revenue source without raising taxes or spending people’s Unclaimed Property money.
